I. Notice to Potential Intervener

[1] On September 15, 2025, the Board issued Notice of Initiation CB-CDA 2025-076 in PT25-10 – SOCAN Tariff 2.C – Télé-Québec (2023-2028). The Board is preparing to implement the next steps in this proceeding.

[2] Télé-Québec has expressed an interest in this proceeding. If Télé-Québec wishes to make a request to the Board for leave to intervene in accordance with Rule 52 of the [Copyright Board Rules of Practice and Procedure](#) (see also the [User Guide](#)), the Board recommends that such a request be made by **November 10, 2025**. This would allow the Board to consider the request early in the proceeding.
