<b>Proceeding Number</b>	PT25-17
<b>Proceeding</b>	Re:Sound Tariff 3.C – Aircrafts (2025-2029)
<b>Case Manager</b>	Drew Olsen

[1] On December 3, 2025, the Board issued Notice and Order CB-CDA 2025-117 which included questions to Re:Sound.

[2] On January 6, 2026, Re:Sound requested that the Board issue a Confidentiality Order in this proceeding prior to filing its response, which is due by January 14, 2026.

[3] Re:Sound attached a proposed Confidentiality Order in the form of the Board's Confidentiality Order Template B.

[4] Subrule 46(6) of the [\*Copyright Board Rules of Practice and Procedure\*](#) states that:

Any document that is filed with the Board in relation to a matter and any related proceeding is placed on the public record, unless the document has been designated as confidential or highly confidential.

[5] As per rule 46, information may be designated as confidential or highly confidential once a confidentiality order has been issued in a proceeding.

[6] Since Re:Sound is the only party in the proceeding, Template B – which applies to sharing information between parties – is not applicable.

[7] That said, to preserve the confidentiality of the information Re:Sound intends to file in its response, the Board is issuing a confidentiality order, as Appendix 1.

[8] Re:Sound shall file a public and confidential version of its response in accordance with the Board's [\*Practice Notice on Filing of Documents \(PN 2019-001\)\*](#) by **January 14, 2026**.
