<b>Ruling the Board</b>	CB-CDA 2026-002
<b>Proceeding Number</b>	PT25-14
<b>Proceeding</b>	SOCAN Tariff 25 – Satellite Radio Services (2019-2026)
<b>Case Manager</b>	Daniela Bassan

## I. Overview

[1] On October 7, 2025, the Board ordered SOCAN and SIRIUS (the Parties) to file a joint statement of issues (JSI) by no later than January 5, 2026.<sup>1</sup>

[2] On January 2, 2026, the Parties requested a three-month suspension of the proceeding and all its remaining deadlines, that is, until April 6, 2026, citing that this time would allow the Parties to explore settlement options.

## II. Ruling

[3] The request is granted. The proceeding is suspended until **Monday, April 6, 2026**.

[4] The Parties shall inform the Board on the status of their negotiations by no later than **Monday, April 6, 2026**.

[5] The Parties should note that this current extension should not be interpreted to permit a lengthy series of additional extension requests for settlement purposes. In three months, the Parties are expected to demonstrate substantial progress towards resolving this matter; otherwise, I expect the Parties will be asked to file a JSI within a short period after the April 6 deadline.
