Ruling of the Board CB-CDA 2026-016

Proceeding Television Retransmission Tariff (2019-2028)

Case Manager Drew Olsen

[1] On February 10, 2026, Bragg Communications Inc. (dba Eastlink) filed a request for intervener status with the Board.

[2] Subrule 52(4) of the [*Copyright Board Rules of Practice and Procedure*](#) states that

Any party may make submissions with respect to the request for leave to intervene by filing them with the Board and serving a copy of them on the requester within 15 days after the day on which the served request to intervene is received.

[3] In light of the upcoming deadlines scheduled in this proceeding, I will avail myself of Rule 3 to shorten the 15-day period. As a result, Parties have until **February 18, 2026**, to provide the Board with submissions on Eastlink's request for intervener status.
